

COSMOPOLITAN GRAFFITI

With different ethnic backgrounds, diverse cultures and unique brought ups, we all are entitled to our own opinion. Are we all “receptive” and “free” enough to see others’ graffiti as art or are we circumscribing others’ art to be our graffiti?

OLEA Ltd.

A former CEO once said: “Imagine life as a game in which people are juggling some five balls in the air. They are WORK, FAMILY, HEALTH, FRIENDS and SPIRIT... One will soon understand that WORK is just a rubber ball, if dropped, it will bounce back. But the other four –FAMILY, HEALTH, FRIENDS and SPIRIT are made of glass. If dropped, they will be scuffed, marked, damaged or even shattered.”

We all need to learn, differentiate, cherish the true value in life.

Summer Kaleidoscope

Just as a kaleidoscope rotating pieces of coloured glasses and gems forming mesmerising imageries. Palettes of colours in summer hues twirling and swirling with enchanting patterns from the summer cottage; conjuring fond memories of hours of fun and laughter with families during childhood days.
